Education

D.Y. Patil College of Engineering, Akurdi, Pune, Maharashtra *June 2023 – May 2024*
Bachelor of Engineering — SGPA: 9.50

Technologies

Languages: C++, Java, Python
Technologies and Frameworks: HTML, Tailwind, ReactJS, NextJS, NodeJS, ExpressJS, Firebase, MongoDB. Gemini, Hugging Face
Deployment and Version Control: Git, Netlify, Vercel
Competitive Programming: HackerRank, LeetCode 200+

Projects

(Ivene 1.0) AI-Powered Mock Interview *Copyright Filled*
Tech Stack: Next.js, Google Generative AI, Clerk, React Speech Hook, Drizzle ORM

- Engineered a scalable mock interview platform utilizing **Next.js** and **Google Generative AI**, implementing **real-time speech-to-text** capabilities with **React-Speech-Recognition**, achieving a **40% increase** in user performance metrics.
- Integrated **webcam functionality** for immersive interview simulations and utilized **Drizzle ORM** with **PostgreSQL** to manage over **10,000 records**, enhancing data retrieval speed.

Notation
Tech Stack: Next.js, Liveblock, Google Generative AI, Clerk, Firebase, Cloudflare

- Architected a real-time document collaboration platform using **Next.js** and **Gemini AI**, optimizing with **Cloudflare** for security and increasing user engagement by **30%**. Leveraged **Firebase** for scalable data storage.
- Designed a **Notion-style interface** for enhanced document creation and editing, integrating **Google Generative AI** for real-time translation, achieving **90% accuracy** for multilingual collaboration.

Meta Verse
Tech Stack: React.js, React Three Fiber

- Created an immersive MetaVerse project where users can interact with DigiMons, utilizing **React Three Fiber** and **Three.js** to showcase advanced React.js skills.

Mini Projects and Contributions

- **Windows XP Portfolio link ,GDSC DYPCOE link , ACES DYPCOE link , CPMC DYPCOE link , TechFest DYPCOE 24 link , Cryptoverse link , Old Portfolio link**

Positions of Responsibility

- **Web Lead at GDGC DYPCOE** - Made the official website and conducted multiple workshops.
- **Cloud Mentor at GDGC DYPCOE** - Guided students on cloud technologies and solutions.
- **ACES Tech Lead** - Leading the technical team in organizing events and workshops.
- **CPMC Gunner** - Part of the Competitive Programming Club, promoting coding challenges.

Achievements and Certifications

- Smart India Hackathon 2024 Finalist (Top 5 India)
- Winner of the GDSC DYPCOE 2023 Website Building Competition.
- Winner of the Avishkar Competition (SPPU) for Mental Health Assessment (3-time winner with projects: Ivene 1.0, and Load Forecasting).
- Featured in the College Newsletter multiple times.
