Education

D.Y. Patil College of Engineering, Akurdi, Pune, Maharashtra *June 2022 – Jan 2025*
Bachelor of Engineering — CGPA: 9.50

Technologies

Languages: Java, C++, Python
Technologies and Frameworks: HTML, Tailwind, ReactJS, NextJS, NodeJS, ExpressJS, Firebase, MongoDB. Gemini, Hugging Face, MySQL, Docker
Deployment and Version Control: Git, Netlify, Vercel
Competitive Programming: HackerRank, LeetCode 350+ (Rating 1756)

Experience

Full Stack Web Developer Intern *[Dec to Feb]* **Simplium Technologies**
- Worked on **Bird Earner**, a freelancing platform; built the **Admin Dashboard** using **Next.js** and **Appwrite** and **MySQL** to manage users and activities.

Full Stack Web Developer Intern *[Jan to April]* **MJX LABS**
- Worked on **City News Chandigarh**, a dynamic news website built with **Next.js** and **Tailwind CSS**, featuring real-time updates, category-wise filtering, and **Selenium**-based web scraping.

Projects

(Ivene 1.0) AI-Powered Mock Interview *Copyright Filled*
Tech Stack: Next.js, Google Generative AI, Clerk, React Speech Hook, Drizzle ORM
- Built a scalable mock interview platform with **Next.js** and **Google Generative AI**, integrating **real-time speech-to-text** for a **40 percent boost** in user performance. Enhanced interviews with **webcam support** and optimized **Drizzle ORM** + **PostgreSQL** for **10K+ records**.

Notation
Tech Stack: Next.js, Liveblock, Google Generative AI, Clerk, Firebase, Cloudflare
- Architected a real-time document collaboration platform using **Next.js** and **Gemini AI**.Leveraged **Firebase** for scalable data storage.
- Designed a **Notion-style interface** for enhanced document creation and editing, integrating **Google Generative AI** for real-time translation

Mini Projects and Contributions

- **Multi UI (In Progress) link ,Windows XP Portfolio , GDSC DYPCOE link , CPMC DYPCOE link , Electricity Management Java link ,Rotaract Dypcoe link**

Positions of Responsibility

- **Web Lead at GDGC DYPCOE** - Made the official website and conducted multiple workshops.
- **Cloud Mentor at GDGC DYPCOE** - Guided students on cloud technologies and solutions.
- **ACES Tech Lead** - Leading the technical team in organizing events and workshops.
- **CPMC Gunner** - Part of the Competitive Programming Club, promoting coding challenges.

Achievements and Certifications

- Smart India Hackathon 2024 Finalist (Top 5 India)
- Global Rank 389 Leetcode Weekly Contest 444
- Best Paper Award at International Conference on Cybertech and Smart Systems 2025
- Winner of the GDSC DYPCOE 2023 Website Building Competition.
- 3 time Winner of the Avishkar Competition (SPPU) with projects: Ivene 1.0, Load Forecasting, Mental Health Assessment
